

CUSTOMERS' SATISFACTION IS OUR SUCCESS

LLDPE STRETCH FILM

Stretch film is widely applied for industrial packaging to protect goods. Thanks to advanced features such as high clarity, high gloss, high tensile strength, resistant against punctures and tears, good cling properties and compliance with RoHS requirement, PE stretch film is really the top interest of enterprises in cutting cost and saving handling time.

JUMBO ROLL

- The width: 250mm, 300mm, 450mm, 500mm
- The thickness: 15Mc- 30Mc
- The length: 2,000m- 4,500m
- The paper core: 76mm- 3 inches
- The net weight: 30kg- 35kg

MACHINE ROLL

- The width: 250mm, 300mm, 450mm, 500mm
- The thickness: 18Mc- 35Mc
- The length: 1,000m- 2,500m
- The paper core: 76mm- 3 inches
- The net weight: 10kg- 20kg

HAND ROLL

- The width: 50mm- 500mm
- The thickness: 15Mc- 25Mc
- The length: 300m- 600m
- The paper core: 76mm- 3 inches/ 52mm- 2 inches
- The net weight: 2kg- 5kg

THIN FILM (SPECIAL FILM)

- The width: 500mm
- The thickness: 8Mc, 10Mc, 12Mc, 14Mc
- The length: 300m- 600m
- The paper core: 76mm- 3 inches/ 52mm- 2 inches
- The net weight: 1.5kg- 4kg

PP MACHINE STRAPPING BAND

Polypropylene strapping band is an ideal packaging solution for the most varied sectors in industry and craft fields. Most PP strap is embossed, some of which is also printed. The width, thickness, and length can be produced as customers' requirement

Width (mm)	Thickness (mm)	Length (mm)	Strength (kgf)	CoreID (mm)	Color
9mm	0.6mm	4000mm	90	200	Clear, Yellow, Red
12mm	0.6mm	3000mm	120	200	White, Green, Blue
15mm	0.6mm	2500mm	130	200	Pink, Orange, Purple
19mm	0.6mm	2000mm	150	200	Black, Grey

PET STRAPPING BAND

Polyester strap (PET) is produced to replace steel tape. Polyester strap (PET) is popular to be used in steel industry, fibre chemical industry, fabric industry, can industry, brick industry and others.

Width (mm)	Thickness (mm)	Length (mm)	Strength (kgf)	CoreID (mm)	Embossed
9mm	0.63mm	3000mm	225	406	V
12mm	0.63mm	2500mm	280	406	V
15mm	0.68mm	1750mm	440	406	V
15mm	0.80mm	1400mm	500	406	V
15mm	0.89mm	1350mm	550	406	V
15mm	1.00mm	1200mm	600	406	V
15mm	0.88mm	1220mm	600	406	
15mm	1.00mm	1150mm	700	406	
15mm	1.00mm	950mm	700	406	V
15mm	1.00mm	950mm	900	406	V

OPP PACKING TAPE

OPP PACKING TAPE (TRANSPARENT, BROWN, COLOR)

OPP packing tape is made of bi-axially oriented polypropylene (BOPP) film coated with acrylic emulsion adhesive for carton sealing purpose

OPP PRINTED TAPE

OPP printed tape can be used as security seal by printing company name, logo, contact informations on tapes

MASKING TAPE

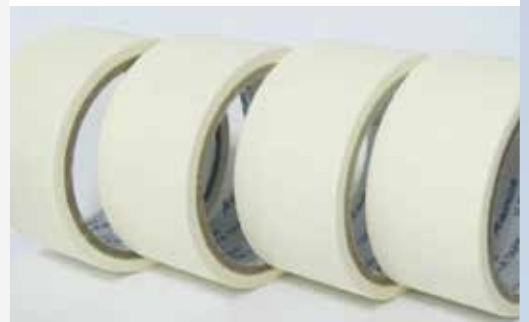

For bundling, holding, splicing and labeling

DOUBLE SIDES TAPE

For indoor, temporary and light duty use

PVC INSULATION TAPE

Wire and cable insulation or repairs, sealing, protection or color coding

PE- PP- HD BAGS

Owing to our long experience we can offer our customers the best quality PE, HD and PP bags, which widely used in packing grain, feeds, fertilizer, seeds, powders, sugar, salt, powder, chemical in granulated form. We can supply our products in many different sizes, shapes and designs according to customer's preferred specifications.

Established in 2004 with over 10 years of experience, **Thien Phu Si jsc** is currently one of the market leader in manufacturing of industrial packaging for Vietnam market.

Our main products such as PP strapping bands, LLDPE stretch films, OPP packing tape, PE shrinkable film, conventional PE film/ bags, HDPE bags and PP bags are acknowledged by both domestic and overseas customers to be excellent product quality, competitive price and good after-sale services.

Today, we have total two production plants located in Cu Chi District and Long An Province with a total area of over 10,000 square meters and an annual capacity of 7,200 metric tonnes. We are expecting to increase this capacity to annual 18,000 metric tonnes by the year 2018. With our continuous investment in technology of automated machineries, and young, active and dedicated staff plus a forward looking Board of Directors, we hope to establish ourselves as the number 1 choice for customers in the packaging industry.

Our aim is to produce high quality products with competitive price to serve our customers at all time. Our customer's satisfaction is our utmost priority and their success reflect our continuous effort in supporting them at all level.

VISION

To become the leading producer and supplier of plastic industrial packaging materials in Vietnam market

MISSION

To produce high quality products with reasonable price in packaging industry
